RE: STATUS REPORT MSU CALENDAR

10/27/92

I will be out for the remainder of this week. I will be in my office the morning of Nov 2, but then I will be on travel again till the afternoon of Nov 6. The remainder of Nov, before Thanksgiving, will be OK for the possible meeting in Atlanta.

I have not yet received the written comments for changes in the 10/12/92 package.

We have been proceeding with the modeling.

I hope the scheduling works out OK.
